CONSULTA

O Presbitério de Piratininga resolve enviar a seguinte consulta ao Sínodo de Piratininga visando seu encaminhamento à CE-IPB-2013:

Considerando:

1. As resoluções CE-SC/IPB-2006 - DOC. XLV e CE-SC/IPB-2012 - DOC. CCXIV que proíbem o uso do nome "comunidade presbiteriana" por parte das igrejas federadas à IPB;
2. Que, não obstante as resoluções acima, há um movimento crescente de comunidades presbiterianas em todo o país;
3. Que a igreja norte-americana Spanish River Church é a plantadora das comunidades presbiterianas no Brasil, conforme a informação da própria igreja em seu site:

"SRC Church plantando no Brasil. A Spanish River plantou mais de 40 igrejas em todo o Brasil. A cada ano o Pastor Ricardo Agreste, nosso líder do movimento no Brasil, hospeda uma conferência para plantadores de igrejas de todo o Brasil (e até para alguns de outros países da

América do Sul). No ano passado mais de 200 pastores participaram da conferência." (Anexo 1).

4. Que a igreja Spanish River Church aponta um pastor da IPB como líder do movimento de plantação de suas igrejas em nosso país; (Anexo 2)

5. Que a Spanish River Church divulga o trabalho das comunidades presbiterianas em seu site, como parte do programa "Adote um plantador de Igreja"; (Anexo 3)

6. Que há comunidades presbiterianas no site da Spanish River Church designadas com o título "adotada"; (Anexo 3)

O Presbitério de Piratininga consulta a CE-IPB:

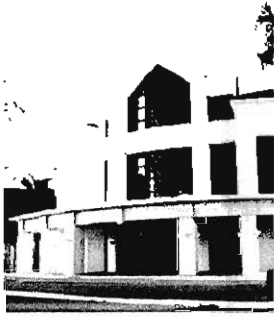

1. As comunidades presbiterianas estão jurisdicionadas à Spanish River Church ou à IPB?

2. Os pastores das comunidades presbiterianas são pastores da Spanish River Church ou da IPB?

3. A Comissão de Relações Inter-Eclesiásticas da IPB tem conhecimento de que uma igreja da PCA tem financiado a plantação de suas igrejas no Brasil?

August 2012**

SRC Church Planting in Brazil

Spanish River has planted more than forty churches throughout Brazil. Each year Pastor Ricardo Agreste, our movement leader in Brazil, hosts a conference for church planters from around Brazil (and even a few from other countries in South America).

Last year there were more than 200 pastors attending the conference. Pastor Tommy Kiedis will once again be a featured speaker at the conference in August of 2012.

Specific Purpose of this Trip:

- Attend the CTPI church planting conference in Campinas, Brazil
- Assist as volunteers at the conference
- Meet with Pastor Ricardo Agreste who hosts the conference
- Meet the other SRC supported pastors and their families
- Visit SRC church plants
- Provide encouragement, determine needs and prayer requests
- Possibly assist in outreach opportunities

Who should go: Small team of key supporters of church planting

Additional Information:
